

## FIORITA from LEONARDO – enchanting floral patterns

*Flowery patterns for summery flair: the glasses from the **FIORITA** collection are real eye-catchers with their floral design and fine aesthetic.*

The playful reliefs are unique to these drinking glass from **LEONARDO** – they appear as meadows of flowers you can touch. The glasses are available in different sizes and fit perfectly to the modern farmhouse style. **FIORITA** glasses are not only suitable for juices; they can also be filled with light summers wines or cocktails.

The **FIORITA** collection also features a matching pitcher. With its large volume of 1.2 litres, it can be used for serving punch or other beverages during long summer days. With its special pattern, the series stands out since it is easy to recognise and ideal for decorating.

Whether outdoors or indoors - **FIORITA** glasses prepare moments of delight and are guaranteed to grab guests' attention at every summer gathering.
